STAT MEMORANDUM FOR: [REDACTED]
Office of Legislative Counsel

STAT FROM : [REDACTED]
Executive Officer, ODP

SUBJECT : Request for Congressional Speaker

1. The Office of Data Processing would like to arrange for Representative Charles Rose to address our annual conference on 9 May 1979 in the Headquarters Auditorium. Our agenda is still in the planning stage, so we can adjust it to fit Representative Rose's schedule.

STAT 2. This is our third annual conference. We usually start our conference at Headquarters with Auditorium presentations, which most of the Office is able to attend. We like to schedule our guest speakers for these presentations so they can reach as many of our people as possible. From there we move [REDACTED] for a day and a half of in-residence sessions. We reserve the evenings for senior guest speakers and panels. Representative Rose would be welcome to join us [REDACTED] for the evening of 10 or 11 May also, dinner and drinks included.

3. We selected Representative Rose because of his reputation as an outstanding speaker on ADP related topics. His membership on the House Permanent Select Committee on Intelligence puts him in a unique position to comment on how we are using ADP. We are very interested in hearing his views. If we may suggest a title, how about,

"The Intelligence Community's Use of ADP -
A Congressional View?"
